

## GOD'S PLAN FOR MOST HOMES

In thinking about building one's home, the first logical step is to consider that first earthly home, and see what principles can be derived from a study of it:

**A. God's Statement Concerning Man:** Read Genesis 2:18a, b

1. After God had created man as a perfect human being (Genesis 2:7), had placed him in a perfect environment (Genesis 2:8-14), and had given him a perfect occupation (Genesis 2:15-17), what did He say of man?  
Genesis 2:18b  
\_\_\_\_\_

2. If this was true in Eden, would it be true today as well? More true, or less true?  
\_\_\_\_\_

**B. God's Remedy Planned:** Read Genesis 2:18c-20

1. What did God say He was going to make for man? Genesis 2:18c (one word)  
\_\_\_\_\_

2. What special qualification must this one have? Genesis 2:18c (three words)  
\_\_\_\_\_

3. What two kinds of creatures did God then form? Genesis 2:19a, b  
\_\_\_\_\_

4. What did Adam do for all these? Genesis 2:19c-20d  
\_\_\_\_\_

5. But what was still true? Genesis 2:20e  
\_\_\_\_\_

**C. God's Remedy Carried Out:** Read Genesis 2:21, 22

1. What three things did God then do? Genesis 2:21a, 22c

a. 21a, b \_\_\_\_\_

b. 21c, d \_\_\_\_\_

c. 22a-c \_\_\_\_\_

**NOTE:** Modern medical science has found evidence of the truth of this last act: Man has one less rib than woman has.

**NOTE:** It has been said that woman was made, not from man's head to surpass him, nor from his feet to be trampled on, but from his side to be equal to him, from under his arm to be protected, and from near his heart to be loved.

2. Since this woman was made from Adam's rib, would she be especially suited to him?  
\_\_\_\_\_

3. After God had made the helper for Adam, did he put her on one side of the world, and Adam on the other, and leave them to search for each other? What did He do instead? Genesis 2:22d  
\_\_\_\_\_

**D. Man's Response to God's Provision:** Read Genesis 2:23

1. Did Adam seem pleased with the helper God had made for him  
Genesis 2:23a, b

---

**NOTE:** The Hebrew here is very emphatic. It implies, "This now at last..."

2. What did Adam say she should be called, and why? Genesis 2:23c

---

**NOTE:** The Hebrew word for woman is *Isha*, while that for man is *Ish*.  
Compare this to *lioness* as the feminine form of *lion*.

**E. God's Command Concerning Married Couples:** Read Genesis 2:24

1. What two things did God say that the man should therefore do?  
Genesis 2:24 a, b

a. \_\_\_\_\_  
b. \_\_\_\_\_

2. What would then be the result? Genesis 2:24c

- 
3. What does Genesis 2:24c indicate is the essence or the intrinsic nature of marriage?  
(One word will do.) \_\_\_\_\_

4. What would it require on Adam's part to accept this woman as his wife?  
(*THINK!*)

---

**F. The Couple's Response to Each Other:** Read Genesis 2:25

1. What was true of both the man and his wife? Genesis 2:25a, b

- 
2. Yet how did they feel in each other's presence? Genesis 2:25c

---

**G. Summary of God's Work in Making Mankind:** Read Genesis 1:26-31

1. Who made mankind male and female? Who told them to reproduce?  
Genesis 1:27, 28

- 
2. Would this include having sex relations with each other?

- 
3. Therefore, could there be anything evil or dirty about sex within marriage?  
(See Hebrews 13:4)

- 
4. What did God say after He had completed the work of making mankind?  
Genesis 1:31a, b

---

**QUESTIONS FOR ME TO THINK ABOUT:**

1. Who planned the first marriage? Genesis 2:18,22. Therefore, who is the best

authority on marriage? Where is His advice written down for us to read?

---

2. Is it still true today that it is not good for man to be alone? Does God still today make one woman especially suited to be a helper to one particular man? Does He still today lead the right woman to the right man? How soon? Therefore, what should be my attitude as I contemplate marriage?
- 

### **THE POSSIBLE EXCEPTION**

Although marriage is a vital part of God's plan for nearly everyone, there are exceptions. Study about these in the following passages from God's Word:

**A. God's Message to Jeremiah:** Read Jeremiah 16:1-4

1. What two things did God tell Jeremiah he must do? Jeremiah 16:1, 2  

---
2. What did he say would happen to the people of Jeremiah's country? Jeremiah 16:3, 4  

---
3. Would you want to have children if you knew that they would have to endure such a fate as this?  

---
4. Would you feel the need for a wife if you were facing times such as these?  

---

**B. Paul's Message to the Corinthians:** Read 1 Corinthians 7:1-10, 25-40

1. What did Paul say would be a good policy for a man? 1 Corinthians 7:1b  

---
2. But why did he say every man should have his own wife, and every woman her own husband? 1 Corinthians 7:2  

---
3. What did he think would be good for the unmarried and widows to do? 1 Corinthians 7:8  

---
4. But under what conditions should these marry? 1 Corinthians 7:9  

---
5. What was one factor in Paul's giving the advice he gave? 1 Corinthians 7:26a  

---
6. What two things did he want to spare them from having? 1 Corinthians 7:28b, 32a  

---
7. What would the unmarried be able to do, that the married could not, because of family responsibilities? 1 Corinthians 7:32-35  

---
8. What particular desire would distract the married from this?  

---

1 Corinthians 7:33, 34d, e

9. What three factors might indicate that God's time for marriage had arrived?

1 Corinthians 7:36

a. \_\_\_\_\_

b. \_\_\_\_\_

c. \_\_\_\_\_

10. Did Paul think it was a sin to marry? 1 Corinthians 7:36b, 28

\_\_\_\_\_

11. But who did he think would be happier, the married, or the unmarried?

1 Corinthians 7:38, 40

---

**C. The Triton Paraphrase of 1 Corinthians 7:** Read and think about the following:

"I will not lay down a rule, because no rule is possible, but these factors ought to be borne in mind....

"The opportunity for Christian work and witness is in any case short and limited.

We must live as loose to the world...and our families as we possibly can. All these things are merely temporary and there is work of eternal value to do. But married people cannot shirk their home responsibilities and these are much more limiting than the unmarried often realize. If you are married, you have important duties at home which you must discharge and you cannot concentrate without distraction on the Lord's service.

"These are powerful reasons for avoiding marriage, at least while you are young.

Consider the privilege of Christian service which is open in special degree for the unmarried.

If you would only postpone marriage there are tremendous spheres of service open to you and for some there will be the high calling of a permanently unmarried life.

"Now please realize that I do not say this at all in order to curtail your liberty but only to help you towards the best, and if circumstances or temperament lead you in another direction, there is nothing wrong in getting married. It is a good gift of God. But the man or woman who sets himself to be unmarried for the sake of Christian service and who can do so without wavering will be even more highly privileged. Marriage is a good thing, but if celibacy is equally possible for you, then (and only then) celibacy is better.

"To be married is His gift to some and to be unmarried is His gift to others. Both, therefore, should be received with thankfulness as His all-wise provision. Don't try to be what God did not intend. Nevertheless, there are some good practical reasons...why I, Paul, could wish that every Christian had the gift that God has given me--that of being contentedly and happily single."

**QUESTIONS FOR ME TO THINK ABOUT:**

1. Did it prove to be best that Jeremiah not marry and have children? Did Paul's life bear out his contention that the unmarried could serve the Lord without distraction better than the married could?  

---
2. What would be legitimate reasons for not marrying or postponing marriage today? Could I serve God better married or single? When could I be sure that it is not God's plan for me ever to marry?  

---

## MODELS OF MARRIAGE

We have seen that in the first marriage, God made a woman especially suited to the needs of the first man, brought her to him, and commanded them to become one flesh. Discover now how this unity which was expected of them was illustrated for them in a model, after which they could pattern their marriage:

**A. The Biblical Model for Christian Marriage:** Read Genesis 1:26, 27

1. In whose image and likeness was mankind made? Genesis 1:26

---

2. Do you think this means man was made in the physical likeness of God?

---

3. Prove your answer above, from John 4:24:

---

4. What do the pronouns "us" and "our" indicate about the number of persons included in the term "God"?

---

5. And yet, what is the essence or nature of God? Deuteronomy 6:4

---

**NOTE:** The word translated "one" is the word used to denote one thing composed of several parts, rather the one denoting one thing all of one part; as, one watch (made of several parts), or one family (composed of several members).

6. Therefore, how do the three persons in the Godhead always act? 1 John 5:7

---

7. How did they evidently arrive at the decision to make man? (See Genesis 1:26 and *THINK!*)

---

8. As what did they decide they would make man? Genesis 1:27c

---

9. How do you think they expected the man and his wife to act, if they were to portray that they were made in the image of God? (*THINK!* How do the persons of the Godhead always act?)

---

10. What did Jesus say about His relationship with the Father? John 10:30

---

11. Did He have to lose His own identity to be one with the Father? (*THINK!*)

---

12. Does this explain the way a husband and wife could and should be one?

---

13. What did Jesus pray might be true of His followers, who were to make up the church? John 17:11e, f, 20, 21

---

14. Could this be true of the church, if it were not true of the husbands and wives who make up the church? Why?

15. How is the individual man or woman transformed into the image of God?  
2 Corinthians 3:18

---

16. As this becomes true in each man and woman, what can the home become a model of? *(THINK!)*

---

17. What effect would such a relationship between parents have on the children?

---

18. Would it help or hinder them in forming a proper relationship with God?

---

19. What happens to the children when there is not a loving unity between their parents?

---

20. Could such children have a proper foundation on which to build their lives?

---

**B. The American Model of Marriage:**

1. What two sources give Americans most of their ideas about marriage?

---

2. Does the average TV program, soap opera, or movie show marriage as a relationship:

a. that is a source of deep personal expression?

---

b. that grows constantly more intimate?

---

c. that leads constantly to more and more satisfaction to both parties?

---

d. in which the husband and wife are lovingly united?

---

e. in which the husband and wife always act as one?

---

f. in which each depends on the physical and psychological presence of the other?

---

3. What is the attitude of the average TV program or movie toward extra-marital sex?

---

4. If a man and his wife are truly one, would either ever find this necessary?

---

**QUESTIONS FOR ME TO THINK ABOUT:**

1. What would be the advantages of patterning my marriage after the Biblical model? The average American model? Should marriage be a picture of heaven on earth? (See Deuteronomy 11:21)

---

2. Which model has influenced my opinions about marriage?

---

## THE BARRIER TO ONENESS

Through a study of the marriages of Adam and Eve and Isaac and Rebekah, and through a study of the unity present in the Godhead, we have a fairly good idea of the goal toward which we should strive in building our home, unless God should definitely lead us to stay single, as He did in the cases of Jeremiah, Paul and probably Daniel, Elijah, Elisha and Barnabas. But there is one great barrier to this desired oneness. Study about this barrier and its remedy below:

### A. Example of the Barrier:

1. Does just getting married insure that the two persons involved will live happily ever after?  
\_\_\_\_\_

2. Although Eve had been made especially for Adam, and God had put them together and made them one, did all go well in their lives?  
Read Genesis 3:1-24

\_\_\_\_\_

9. As a result, what then happened in their family? Genesis 4:8  
\_\_\_\_\_

---

### B. Removal of the Barrier:

1. In order for two to become one, what must each learn to do? Philippians 2:4

---

2. Who is the prime example of one who did this? Philippians 2:5

---

8. Then how will each no longer do things? Philippians 2:3a

---

---

### QUESTIONS FOR ME TO THINK ABOUT:

**(Note what will then have happened to each: Romans 10:2b)**

1. By whose way do I live? About whose things am I primarily concerned? As I  
am right now, am I one with God? Would it be possible for me to become  
one with another?

---

2. Have I accepted God's initial provision of Christ's death on the cross for me as  
the means of breaking down the barriers between me and God, and between  
me and others? Do I daily, through the Holy Spirit, put to death the doings of  
my body, so that I may live in harmony with God and with others?  
(See Romans 8:13, Ephesians 4:2, 3)

## THE FUNCTION OF EARLY FAMILY LIFE, CHURCH LIFE, SCHOOLING AND JOBS IN PREPARATION FOR MARRIAGE

Through our previous lesson, we learned that the greatest, if not the only, barrier to oneness in marriage is sin: wanting one's own way, and being concerned about one's own things, rather than also being concerned for the things of others. Study now the function that early family life, church life, schooling and jobs can have in eliminating selfish attitudes and actions, and thus preparing one for the time if it is God's plan for him, when he will be married:

### A. The Need for Development:

### B. The Means of Development:

1. To whom has God delegated the responsibility for overseeing this process?  
Ephesians 6:4

2. Who is his main helper in this undertaking? Proverbs 1:8

3. On what organizations do parents usually call for help in accomplishing their God-given task? (Name at least two)

trainer to do? Hebrews 12:7  
\_\_\_\_\_
9. What should be the purpose of this procedure? Hebrews 12:9a;  
Proverbs 22:15  
\_\_\_\_\_

being trained? Hebrews 12:11a, b  
\_\_\_\_\_
3. However, if the one being trained learns to respond correctly, what will he  
afterwards be able to do? Hebrews 12:11c (Part of one word)  
\_\_\_\_\_
4. If the child learns to respond correctly to his father, mother, and teachers in  
his school and in the various departments of his church, to what other  
authorities, to whom he must later be subject, will this train him to respond  
correctly? (Name at least three)  
\_\_\_\_\_
5. Will proper responses to his parents, teachers, and other authorities, and to  
other members of his family and of his various classes, clubs, etc., help him  
to respond properly to his mate after marriage? Explain your answer.  
\_\_\_\_\_
6. What was Jesus' relationship to His earthly parents? Luke 2:51  
\_\_\_\_\_
7. How did He learn to respond in this way? Hebrews 5:8  
\_\_\_\_\_

nearly have I been conformed to the image of Christ? Can I help in furthering  
this process? How? (See 2 Corinthians 3:18)  
\_\_\_\_\_

2. Judging by the way I respond to my parents, siblings, classmates, fellow club members, etc., would I make a good marriage partner right now?  
Would anyone want to live with me, if I respond to them this way?
- 

## THE FUNCTION OF FRIENDSHIPS AND DATING IN PREPARATION OF MARRIAGE

In our culture, as one enters adolescence, he/she usually broadens his/her circle of friends to include some of the opposite sex; and as time progresses, he/she begins to date some of them. See now what function friendship and dating perform in preparing him/her for marriage:

## RULE #1 FOR SUCCESSFUL DATING

In order for two to become totally one after marriage, certain precautions must be observed before marriage--throughout their dating experience. Study now the first rule which must be observed if two are to gain genuine intimacy.

### A. God's Order for Achieving Oneness:

1. Of what three parts is one's personality composed? 1 Thessalonians 5:23b

\_\_\_\_\_

2. In how many of these must a couple be united in order to have total personality contact? *(THINK!)*

\_\_\_\_\_

3. On which of these three parts do young people usually put the emphasis during their dating?

\_\_\_\_\_

4. Yet, according to 1 Thessalonians 5:23, what seems to be God's order for this oneness to be achieved?

\_\_\_\_\_

5. Is it possible for two bodies to become one without the souls and spirits of the persons involved becoming one?

\_\_\_\_\_

6. Who would try to get young people to follow this procedure?

\_\_\_\_\_

7. Could this explain why so many marriages that seemed to start well end in divorce?

\_\_\_\_\_

### B. Degree of Oneness to Be Achieved through Dating:

1. If 1 Thessalonians 5:23 lists the order in which oneness should be achieved, what type of oneness should be achieved first, through dating?

\_\_\_\_\_

2. Is it possible for a non-Christian to achieve true oneness of spirit with one who is a Christian? \_\_\_\_\_  
Is the reverse possible? (See Amos 3:3) Why?

\_\_\_\_\_

3. Is it possible for one who is not a Christian to achieve true oneness of spirit with anyone? Why?

\_\_\_\_\_

4. How is spiritual oneness developed? How can a fellow and a girl come closer to each other spiritually?

\_\_\_\_\_

5. What happens to spiritual development when a couple becomes involved physically during dating? Does God approve of their actions? \_\_\_\_\_

6. How will they feel about their actions?

\_\_\_\_\_

7. How will this affect their relationship to each other?

---

**C. The First Rule for Successful Dating:**

1. From the discussion above, what would you say must be Rule #1 for achieving true oneness of spirit, and therefore Rule #1 for successful dating?  
\_\_\_\_\_
2. Write this rule above to complete title line. (Rule #1 For Successful Dating).  
\_\_\_\_\_

**D. Results When This Rule is Violated: Read 1 Kings 11:1-11**

1. Who did King Solomon love? 1 Kings 11:1  
\_\_\_\_\_
2. What had God commanded concerning the people of these nations?  
1 Kings 11:2a-c  
\_\_\_\_\_
3. What had God said would happen if one violated this command?  
1 Kings 11:2d  
\_\_\_\_\_
4. What happened to Solomon when he was old? 1 Kings 11:4  
\_\_\_\_\_
5. How did God evaluate what Solomon had done? 1 Kings 11:6  
\_\_\_\_\_
6. How did He feel toward Solomon as a result? 1 Kings 11:9  
\_\_\_\_\_
7. Therefore, what did God say He was going to do? 1 Kings 11:11  
\_\_\_\_\_
8. What did later spiritual leaders of Israel call Solomon's action?  
Nehemiah 13:26  
\_\_\_\_\_
9. If Solomon, with all his advantages, could not make a success of marriage with mates who were not true believers in God, could anyone?  
\_\_\_\_\_

**QUESTIONS FOR ME TO THINK ABOUT:**

1. Did God actually mean it when, through Paul, He told Christians not to be unequally yoked with unbelievers? Does this mean that Christians should not date the unsaved? Ever? (See 2 Corinthians 6:14, 15, 17, 18)  
\_\_\_\_\_
2. Will I accept God's command, and obey it? Or will I insist on trying to be the first ever to make a complete success of dating and marrying an unbeliever?  
\_\_\_\_\_

## RULE #2 FOR SUCCESSFUL DATING

Once you have settled in your mind that there is no basis in scripture for “missionary” dating; (dating the unsaved with the thought I can bring them to Christ), and have determined in your heart that you will date only those who are genuinely born again, you are ready to discover a second rule for successful dating:

### A. Purpose in Life:

1. What was Jesus’ purpose in life? John 4:34

a. \_\_\_\_\_

b. \_\_\_\_\_

2. To what extent was He willing to suffer, in order to accomplish this goal?

Hebrews 12:2

\_\_\_\_\_

3. Was this purpose accomplished? John 8:29c, 17:4b

\_\_\_\_\_

4. What was Paul’s purpose in life? Colossians 1:28, 29

\_\_\_\_\_

5. To what extent was he willing to suffer, in order to accomplish this goal?

Acts 20:22-24

\_\_\_\_\_

6. To what extent was he able to accomplish this goal? Romans 15:19;

2 Timothy 4:17

\_\_\_\_\_

7. Because he had been faithful in accomplishing God’s purpose for his life, what could he look forward to? 2 Timothy 4:7, 8

\_\_\_\_\_

8. What was Lucifer’s purpose in life? Isaiah 14:12-14

\_\_\_\_\_

9. Was this purpose accomplished? Isaiah 14:12, 15

\_\_\_\_\_

10. What did Ahab purpose to do with his life? 1 Kings 21:25

\_\_\_\_\_

11. Is everyone committed either to a good purpose or a bad purpose in life?

Justify your answer:

\_\_\_\_\_

### B. Need for Unity of Purpose in Marriage:

1. If one who purposes to please God and to do His work marries one who purposes to do evil, or has no purpose, what will be the result? Mark 3:25

\_\_\_\_\_

2. Will either be able to accomplish his goal fully? Why?

\_\_\_\_\_

3. What feeling will each therefore have? (*THINK!*)

---

4. Could such a home possible picture the unity of God?

---

5. If a girl is not fully in accord with a fellow's goal and purpose in life, should he even consider the possibility of marrying her?  
\_\_\_\_\_
6. If a girl cannot give herself fully to a fellow's goal and purpose in life, should she even consider the possibility of marrying him?  
\_\_\_\_\_
7. If a fellow and a girl share the same purpose in life, what feeling will it give them as they work together toward this purpose?  
\_\_\_\_\_
8. **NOTE:** Such a home would constantly picture the unity of God to others.

**C. Relating Dating Activities Around God's Purpose for One's Life:**

1. Do all dating activities normally engaged in by youth today help them to please God and to finish His work?  
\_\_\_\_\_
2. Do any actually displease God?  
\_\_\_\_\_
3. Could engaging in a certain activity actually hinder one from being effective in God's service at a later time?  
\_\_\_\_\_
4. Therefore, if one is in earnest about his life's purpose to please God and to finish His work, what must he determine about his dating activities?  
\_\_\_\_\_
5. After approval by your teacher, write this rule above to complete title line.  
\_\_\_\_\_

**QUESTIONS FOR ME TO THINK ABOUT:**

1. What dating activities would be consistent with a life's purpose to please God and to finish His work? Which ones would hinder such a purpose? How can I know if a planned activity pleases God? (Compare 2 Corinthians 3:17b, c; Isaiah 61:3d)  
\_\_\_\_\_
2. If people judged by my dating activities, what would they say was *my* life's purpose? Do I need to make any changes in these activities, so that they will reflect my *real* purpose in life, and so that they will help me in carrying out this purpose, rather than hindering me from it? Am I willing to do this, in order to accomplish my life's goal? Will this be easy? But will it be worth it?  
\_\_\_\_\_

## RULE #3 FOR SUCCESSFUL DATING

If you have decided to date only Christians, and to engage only in dating activities that will reflect and further your life's goal, you will still face the need for a third rule for successful dating. Discover this rule now:

### A. Another Purpose for Marriage: Read Ephesians 5:22, 33

1. What relationship is that between husband and wife intended to portray?  
Ephesians 5:23b-25, 29, 32

---

2. List, in the order in which you think they would usually occur, six steps that lead to the union of two as one flesh:
 

1	2
3	4
5	6

3. Does such a union have good or bad effects on those involved when it occurs after marriage? List some of these effects:

---

4. Notice that these effects are the same in Christ's relationship to His church.

### B. Physical Relationships before Marriage:

1. One dictionary defines *fornication* as "voluntary sexual intercourse of an unmarried person with another unmarried or married person of the opposite sex." Does the Bible approve of such an act? 1 Corinthians 6:13-20;  
1 Thessalonians 4:3-7

---

2. All who accept the Bible at all agree that unmarried people should not engage in sexual intercourse. But there is great disagreement even among earnest Christians as to how far a couple may rightly go, short of "all the way." Search these verses, and list any dating practice toward which they could indicate disapproval:

- a. Matthew 5:27-29 \_\_\_\_\_
- b. Matthew 5:30 \_\_\_\_\_
- c. Proverbs 5:15-23 \_\_\_\_\_
- d. 1Thessalonians 4:5 \_\_\_\_\_
- e. 1Thessalonians 4:6 \_\_\_\_\_
- f. Luke 6:31 \_\_\_\_\_

3. Notice that all of the steps listed in A-2 above are stimulation in preparation for the final act of intercourse. Is it easy once the first step has been taken to stop short of intercourse?

---

4. What is the effect on the parties involved, if they *do* stop just short of intercourse? How do they feel?

---

**29 Diamond Method of Bible Discovery Series**     ♦     **Topical Study**

---

5. Does such a relationship picture properly that between Christ and His church?
-

6. Considering man's physical, emotional and psychological nature, at what point in the above process would it be easiest to draw the line?  
\_\_\_\_\_
7. Since Jesus calls the look of lust adultery, is it possible that preparation and satisfaction, stimulation and fulfillment, are one experience, indivisible in God's mind?  
\_\_\_\_\_
8. Would this interpretation be consistent with man's physical, emotional and psychological nature?  
\_\_\_\_\_
9. If this interpretation is *not* true, should there not be some definite guideline in scripture stating exactly how far unmarried people may properly go in their physical relationships with each other?  
\_\_\_\_\_
10. Do you know of any such guidelines?  
\_\_\_\_\_
11. Regardless of whether you agree that God considers preparation and stimulation a part of the experience of intercourse, and regardless of where you think the line should be drawn in dating, what does scripture clearly teach that Christians will exercise if they allow the Holy Spirit to control them?  
Galatians 5:23b ASV  
\_\_\_\_\_
12. Therefore, what should be the third rule for successful dating?  
\_\_\_\_\_
13. After approval by your teacher, write this above to complete title line.  
\_\_\_\_\_

### QUESTIONS FOR ME TO THINK ABOUT:

1. Is it right for me to stir up appetites or arouse sensual desires which I cannot righteously satisfy at this stage in my friendships?  
\_\_\_\_\_
2. Do my dating practices indicate that I am controlled by God's *Holy Spirit*?  
If not, what should I do? *Will I?* How soon? Galatians 5:22, 23 ASV  
\_\_\_\_\_

## RULE #4 FOR SUCCESSFUL DATING

---

3. What kind of attitudes does God use His order of authority to develop in us? (See Philippians 2:5-8; Luke 2:52)

4. How can these mature attitudes help us discern the basic intentions of those in authority over us?
- 

5. If they intend to have us violate Scripture or our moral convictions, what must we do? Acts 4:19, 20
- 

6. However, if this is not their basic intention, what must we learn to do? *THINK!*

### QUESTIONS FOR ME TO THINK ABOUT:

2. When one violates God's order of authority, what are the results to him/herself? Genesis 2:24 and Matthew 19:5. To his descendants? Numbers 14:18. In what other relationship must we follow God's order of authority? Colossians 3:22-24 (Phillips). After approval by your teacher, what would be Rule #4 for successful dating?
